The man with a dozen and the man with a thousand should use

Wellington Improved Egg Food

for their poultry. It is as necessary in the chicken yard as salt is in the house. Poultry require this tonic and corrective preparation at times as much as we require occasional health giving helps. Domestic fowls are not wild birds and should not be treated as such. The safe way is to keep this food on hand.

Costs about 1 cent a day for 24 hens. FOR SALE AT GROCERS, FEED STORES, and general supply houses, but if you cannot get it at your dealers send us his name and address and 25 cents and we will send you, prepaid, a package that will last a dozen hens 6 weeks and our book on feeding. Send for our Book on Feeding, anyway. Free upon request.

\$1000 REWARD

Is offered as a guarantee that neither Dr. Pierce's Favorite Prescription

NOR Dr. Pierce's Golden Medical Discovery contains alcohol, opium, or any harmful drug. Any one publishing false statements concerning their ingredients will be prosecuted. Doctor Pierce's Family Remedies are compounds of medicinal principles, scientifically extracted from native roots that cure the diseases for which they are recommended. They are medicines which have enjoyed the public confidence for over a third of a century. They are medicines not beverages, made to satisfy a craving for "booze."

"Golden Medical Discovery" regulates and invigorates stomach, liver and bowels, and cures dyspepsia, purifies the blood and tones up the system generally. "Favorite Prescription" cures female weakness, irregularities, exhausting drains, painful periods and kindred ailments peculiar to women. Accept no substitute for these medicines, each of which has a record of marvelous cures. Substitution means selfishness on the part of the dealer who is looking for the greater profit on an inferior article.

"Our daughter who was attending college became very nervous and we were advised to try Dr. Pierce's Favorite Prescription," writes Mrs. M. C. Fox, of St. Leonard St., Grand Rapids, Mich. "We did so and then you advised us to get the 'Golden Medical Discovery' also. She took four bottles of the 'Prescription' and three of the 'Golden Medical Discovery' and you never saw such a change in a person. She said she did not feel like the same person. She was about seventeen years old at the time. I will gladly recommend Dr. Pierce's medicines to every one. I advise parents who have young daughters who suffer from nervous troubles to try Dr. Pierce's Favorite Prescription at once. I am sure it will help them."

\$50,000 GIVEN AWAY, in copies of Medical Adviser, a book that sold to the extent of 500,000 copies a few years ago, at \$1.50 per copy. Last year we gave away \$20,000 worth of these invaluable books. This year we shall give away \$50,000 worth of them. Will you share in this benefit? If so, send only 21 one-cent stamps to cover cost of mailing only for book in stuff paper covers, or 31 stamps for cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

CITY COUNCIL.

Chemical Engine Ordered Purchased. Official Grades to Be Extended.

Last Monday the annual election of officers took place at the meeting of the City Council. Delegates from the three hose companies and the hook and ladder company were present. For the office of chief, Al Lowe and Joe N. Winter were nominated. Mr. Winter declined and Mr. Lowe was chosen by acclamation. For first and second assistants, James P. Coleman and Daniel Muller were elected respectively.

Chief Winter notified the trustees of the necessity for a chemical engine. On motion of Walker it was ordered that one be purchased, at a cost not to exceed \$600.

F. H. Thorpe stated to the board that Bonita Parlor, N. D. G. W., was about to plant a lawn in the center of the park provided the trustees would furnish the water necessary for its irrigation for at least six months in the year.

All the members expressed willingness to give their assistance, but thought the planting of a lawn could be put off for the present. Water for irrigating the trees would be furnished.

Surveyor Gilbert was instructed to establish the grade in the Hooper, the Wooner, Whitton & Montgomery, and Reece tracts, with a view of installing a sewer system in that part of the town.

Claims were presented and ordered paid as follows:
